ガッツ *Guts*

The main character of the story, the Black Swordsman. He exists in the interstice, wears the Berserker armor, and his soul is constantly torn between protecting Casca and challenging Griffith. That struggle is nothing short of sublime.

キャスカ

Casca

Former unit commander of the Band of the Hawk; mentally regressed from her experience in the eclipse. She now neither speaks nor conveys any feelings. Her brand, which reacts to evil, is narrowly shielded by Flora's talisman.

パック *Puck*

An elf who's long been with Guts on his journeys. His dust has the power to heal wounds. He confirmed that he's a wind spirit, and he also changes into Chestnut Puck.

インドロ *Isidro*

Dreams of being the "ultimate swordsman," but his actual talent, not up to snuff, repeatedly endangers him. Nevertheless, the boy endeavors toward his dream. He is currently equipped with a fetish granted the protection of fire elementals.

シールケ

Schierke

Disciple of Flora, witch of the spirit tree mansion. She supports Guts and the others through her use of magic; however, among her spells are some beyond her mastery, which occasionally place her in great peril as she tries to aid her allies. She has a stilted side to her personality.

グリフィス *Griffith*

Through the eclipse of the Crimson Behelit, he was reborn as Femto of the Godhand. Later he was incarnated in the Imitation eclipse catalyzed by the egg-shaped apostle, thus returning to the physical world, in which he became the "absolute," without equal. He leads the reborn Band of the Hawk.

ファルネーゼ *Farnese*

Former commander of the Holy See's Holy Iron Chain Knights, and daughter of the Vandimion family, one of influential status and wealth in the religious sphere. She seeks to learn from Guts her own means of survival, and about the reality of the world.

セルピコ *Serpico*

Attendant of Farnese, and actually her brother. However, Farnese is not aware of the blood relationship. He is skilled in fighting, and currently clad in a fetish granted the protection of wind elementals.

ロデリック *Roderick*

A naval ship captain and third in line to the royal throne of Ith, a maritime power within the domain of the Holy See. He is a friend of Farnese's brother, and has become her fiancé. He is currently taking Guts and the others to Elfhelm with his own warship.

ガニシュカ *Ganishka*

An apostle, and emperor of the Kushan Empire. He tried to reincarnate himself again in an effort to surpass the Godhand, but ultimately assumed the form of a giant demonic beast.

Emperor Ganishka of the Kushan Empire was an apostle. His desire was to extend the territory under his control to every corner of the world, then surpass and transcend the Godhand, beings who stand above the apostles. To this end, he joined the bodies of captured apostles to build an artificial reincarnation vessel, produced a force of demon beasts, and grouped them together with humans from lands he ruled to populate a large army. He then challenged Griffith, who was far beyond his level. Realizing that he could currently do nothing against Griffith, Ganishka lowered himself into the reincarnation vessel in an attempt at a second reincarnation. Thus he was reborn as a towering demonic beast that stood practically as tall as the sky. However, his ego imploded, and he began to attack any enemy or ally in his path. What will Griffith and the new Band of the Hawk do in the face of this giant beast . . . ?

This manga collection is translated into English but oriented in right-to-left reading format at the creator's request, maintaining the artwork's visual orientation as originally published in Japan. If you've never read manga in this way before, take a look at the diagram below to give yourself an idea of how to go about it. Basically, you'll be starting in the upper right corner and will read each balloon and panel moving right to left. It may take some getting used to, but you should get the hang of it very quickly. Faced with the Kushan emperor's horrific new form, and the bloody swath of destruction and spawning demons he leaves in his wake with each step, the soldiers in Griffith's new Band of the Hawk must assume their true unholy forms to battle the emperor, revealing their true faces to the citizens of Midland. How will these tormented refugees react when they discover that their would-be rescuers are as monstrous as their opponents? And could this titanic confrontation threaten to unleash even greater horrors upon the human world?

Like sledge striking anvil, *Berserk* hammers the sensibilities of readers worldwide, pounding out a steady stream of epic action, gruesome horror, and dark humor that places *Berserk* among the most respected—and feared—manga series ever published.

This collection is translated into English but oriented in right-to-left reading format, as originally published.
